

# **GBC YOUTH MINISTRIES**

## **THE VISION OF THE AIKEN GBC YOUTH MINISTRIES**

To Provide:

The Aiken area with a relevant and credible example of Christian young people that will reach the unchurched (to evangelize).

Christian Youth with opportunities for spiritual growth and practical application of God's Word (to develop spiritual leadership).

## **OUR PRIMARY PURPOSE**

The overriding purpose of our youth ministry is to reach and disciple students for Jesus Christ.

We must evaluate everything we do in the light of our overriding purpose and confirm that it relates to the purpose of evangelism and discipleship.

Three questions we will ask:

1. Why are we doing this activity?
2. How does this activity help us achieve our overriding purpose?
3. What can we do to make this activity more effective?
